The **Rich text** section is a straightforward feature used to add text-based content to your home page.

## Plain & Simple

We value innovative, honest, simple, and practical design, and believe that the goal of any good design is to eliminate unnecessary complication. With each of our creations, we strive to present unadorned beauty. This is what guides us throughout our entire creative process, from sketch to stitch.

Add **Rich text** to your home page

1. In the theme editor (**Customize**), click **[+] Add section**
2. Locate **Rich text**
3. Click the section, then **Add**
4. **Save**

## Customize section settings
