

Vogue sections: Collection list

support.pixelunion.net/hc/en-us/articles/360031480434-Vogue-sections-Collection-list

The **Collection list** section is designed to help you showcase new or seasonal collections on your home page. With Vogue, you can feature up to 12 collections at a time.

Add **Collection list** to your home page

1. In the theme editor (**Customize**), click **[+] Add section**
2. Locate **Collection list**
3. Click the section, then **Add**
4. **Save**

Customize section settings

Click the **Collection list** section to open its general settings.

Customize the heading and section header

Use the **Heading** field to customize the section's heading copy.

Select a **Header color** using the rounded-rectangle swatch.

Choose a layout

Use the **Layout** dropdown to choose either **One column** or **Two columns**. **One column** will have the collection blocks span the full width of the section, while **Two columns** fits two collections within the width of the section.

Include the collection descriptions

Activate **Show description** to include the collection descriptions assigned to each collection. Manage this description in the **Collections** portion of the **Products** admin.

Adding collection blocks

Some **Collection** blocks will be included by default.

To add more, select **[+] Add collection**.

To remove a block, open the block and scroll down to the **Remove content** link.

Open the collection block to assign a collection

Click **Select collection** to locate the desired collection.
